ACCOUNTANTS' COMPILATION REPORT

Board of Directors
Central Coast Community Energy

Management is responsible for the accompanying financial statements of Central Coast Community Energy (a California Joint Powers Authority) which comprise the statement of net position as of April 30, 2021, and the related statement of revenues, expenses, and changes in net position, and the statement of cash flows for the period then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the accompanying statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, conclusion, nor provide any assurance on these financial statements.

Management has elected to omit substantially all of the note disclosures required by accounting principles generally accepted in the United States of America in these interim financial statements. Central Coast Community Energy's annual audited financial statements include the note disclosures omitted from these interim statements. If the omitted disclosures were included in these financial statements, they might influence the user's conclusions about the Authority's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to the Authority because we performed certain accounting services that impaired our independence.

ACCOUNTANTS' COMPILATION REPORT

Board of Directors
Central Coast Community Energy

Management is responsible for the accompanying special purpose statement of Central Coast Community Energy (a California Joint Powers Authority) which comprise the budgetary comparison schedule for the period ended April 30, 2021, and for determining that the budgetary basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the accompanying statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on this special purpose budgetary comparison statement.

The special purpose statement is prepared in accordance with the budgetary basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. This report is intended for the information of the Board of Directors of the Authority.

Management has elected to omit substantially all of the note disclosures required by accounting principles generally accepted in the United States of America in these interim financial statements. Central Coast Community Energy's annual audited financial statements include the note disclosures omitted from these interim statements. If the omitted disclosures were included in these financial statements, they might influence the user's conclusions about the Authority's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to the Authority because we performed certain accounting services that impaired our independence.

Budget Commentary for significant items
October 1, 2020 through April 30, 2021

Budget Item	YTD Variance	Comment
Electric Sales Revenue	104%	Sales revenue includes revenues actually billed to customers as well as estimated customer usage during the reporting period that is not yet billed.
Cost of Energy	88%	This variance is primarily due to (1) timing difference between projected and actual REC deliveries, (2) variance from actual to anticipated market prices, and (3) variance from actual to expected volume used by customers.
Staffing	70%	Staffing expenses are under budget due to the timing of new hires.
Professional Services	96%	This category includes accounting, IT, technical and other consultants.
Legal Costs	59%	This category includes outside legal costs for regulatory and energy procurement needs.
Marketing and customer enrollment	73%	Variance is mostly due to the lower than anticipated costs of recent customer enrollments.
Data Management Services	98%	These fees non-discretionary and are charged on a per customer basis.
PG&E Fees	98%	These are PG&E fees charged on a per customer basis.
Other General & Administrative	87%	This category includes occupancy costs, industry membership dues, and other general and administrative costs.
Energy and Related Programs	8%	Programs expenses have generally been delayed until future periods
