

Never Been a Better Time to Purchase or Lease a New or Used Electric Vehicle (EV)

Thanks to regional, state and federal rebates and incentives, there's never been a better time to purchase or lease a new or used EV, e-motorcycle, or e-bike!

ELECTRIFY YOUR RIDE

Rebates to electrify your transportation and install chargers at home or work

Who is eligible?

All CCCE customers including residential, commercial, agricultural, and public agencies located within the counties of Monterey, San Benito, San Luis Obispo, Santa Barbara and Santa Cruz.

Why electrify?

- Transportation is the biggest contributor to greenhouse gas (GHG) emissions along the Central Coast
- Getting more electric vehicles (EVs) on the road will reduce regional emissions and improve air quality
- Building more EV charging stations at homes, workplaces, and eligible public settings will increase access to charging stations
- Providing extra funding for underserved communities and low-income customers will tighten up gaps in equitable access to clean-energy resources
- Reducing emissions, getting more EVs on the road and building more charging stations will increase local and regional adoption rates to meet state and regional climate action goals
- EVs require less maintenance and cost less to operate, providing savings over time and at the gas pump

When is program funding available?

- The *Electrify Your Ride* program will run until all \$2.8 million in funding is utilized
- **\$2,000 - \$4,000** in rebates available for purchase or lease of new or used electric vehicles, including motorcycles and e-bikes
 - Additional stackable funds available through regional, state and federal rebates and incentives, including up to \$15,000 for income-qualified customers
- **\$2,400 - \$10,000** available for Level 2 electric vehicle chargers at home or workplace
 - Includes the labor and material costs for installation, including electrical panel upgrades or replacements
- Rebates are available on a first come, first served basis until funds are fully reserved.
