

## **CCCE Response to Questions for Request for Proposals – Municipal Financial Consultant**

*Q1: The link to the Sample Service Agreement ends in an error message on our end. Could you please send it in Word or PDF. Thank you.*

A: A draft Standard Services Agreement referenced in the RFP document is available at the following URL:

<https://3cenergy.org/wp-content/uploads/2022/03/01.-DRAFT-STANDARD-SERVICES-AGREEMENT.pdf>

Please note the Standard Services Agreement is a starting point for the contract. Additional terms and conditions specific to this RFP and transaction may be added. For example, the RFP references a fiduciary responsibility – language that may be included in the final contract for a Financial Consultant.

*Q2: My firm is responding to the RFP for Municipal Financial Consultant, and I'm unable to access the Standard Service Agreement from the link provided on the last page of the RFP. I'm not sure if it's a permissions issue. I was also unable to find it on your website. Would you please email me a copy?*
