SOLICITATION DETAILS SECTION

1.0 INTENT

- 1.1 Central Coast Community Energy, hereinafter referred to as 3CE, is soliciting proposals from a qualified organization(s), hereinafter referred to as “CONTRACTOR(S),” to provide rate design, evaluation, and support.
- 1.2 This solicitation is not intended to create an exclusive service agreement and multiple awards may be made. 3CE retains the ability, at its sole discretion, to add qualified CONTRACTORS at any time.

2.0 BACKGROUND

- 2.1 3CE is a Community Choice Aggregator (“CCA”) established in 2017 pursuant to Public Utilities Code Section 366.2 and operating as a joint powers authority pursuant to Government Code section 6500 et seq. 3CE currently serves residential, commercial and agricultural/industrial customers in communities located within the unincorporated areas of the Monterey, San Benito, Santa Cruz, and Santa Barbara Counties, as well as the Cities of Arroyo Grande, Buellton, Capitola, Carmel, Carpinteria, Del Rey Oaks, Gonzales, Greenfield, Goleta, Grover Beach, Guadalupe, Hollister, Marina, Monterey, Morro Bay, Pacific Grove, Paso Robles, Pismo Beach, Salinas, Santa Maria, San Juan Bautista, San Luis Obispo, Sand City, Santa Cruz, Scotts Valley, Seaside, Soledad, Solvang, and Watsonville. The City of Atascadero and the Unincorporated County of San Luis Obispo are slated to begin 3CE service in 2025. 3CE’s geographic service area includes customers who receive Transmission & Distribution (T&D) service from their respective Investor-Owned Utility (IOU) Pacific Gas & Electric (PG&E) and Southern California Edison (SCE). 3CE’s customers may choose to opt out and receive generation service from their IOU instead of 3CE.
- 2.2 At inception, 3CE used IOU-indexed rates, wherein it set its rates as a percent discount to the prevailing IOU rate. In March 2022, 3CE implemented Cost of Service (COS) rates for customers in its PG&E service area, transitioning away from the IOU-indexed model. The COS model was designed to recover 3CE revenue requirements and allocate costs to each customer class based on the cost to serve that class. COS rate studies are set on a 3-year cycle. Customers in the SCE service area continue to follow the IOU-index model.
- 2.3 3CE is seeking consultants to address the following needs through this RFP:
 - Evaluate the current COS rate design to determine how successfully the rates are recovering the revenue requirements and recalibrate current allocation and COS rate design as necessary.
 - Support staff in developing revenue requirements for the CY 2025-2027 rate design cycle.
 - Collaborate with and support staff in determining whether to develop standalone COS service rates for the SCE service area or integrated rates for the entire PG&E and SCE service area.
 - Collaborate with and support staff in developing new rate schedules as necessary, including real time pricing rates.
 - Provide ongoing rate analytics and rate design support. This includes but is not limited to tracking IOU rate changes and associated proceedings, assisting in developing 3CE rate change scenarios, and validating rate values prior to implementation.

SCORING CRITERIA	Max Possible Score
Qualifications	20
Experience	20
Pricing	15

- 10.5 The award made from this RFP may be subject to approval by Central Coast Community Energy Operations Board of Directors or Policy Board of Directors.

- 11.3 Prior to the start of the work, Central Coast Community Energy and CONTRACTOR(S) will mutually agree upon the budget for the project.

- 11.3.1 3CE will provide a defined scope.

12.0 SMALL AND LOCAL PREFERENCE

- 12.1 3CE desires, whenever possible, to contract with qualified small and local vendors to provide goods and services to the agency. Each local CONTRACTOR providing goods, supplies, or services funded in whole or in part by 3CE funds, or funds which 3CE expends or administers, shall be eligible for local preference points or percentages as provided in this section.
- 12.2 3CE's Small and Local Preference Policy ("Policy") establishes a preference for qualified small, local, and diverse businesses in non-power services contract opportunities. This policy requires 3CE to directly identify and solicit small, local, and diverse businesses; reduce barriers to contracting with small, local, and diverse businesses; and incentivize small, local, and diverse businesses to engage with 3CE's contracting process. To view 3CE's Local Preference Policy, in its entirety, use the following link: [Central Coast Community Energy Local Preference Policy](#)
- 12.3 Any vendor seeking to be recognized as a small, local, and diverse business by 3CE shall be required to certify they meet the definition of small and local as set out in the Policy, and to register as a small, local, and diverse business with 3CE. Registering through the vendor registry enables 3CE to track the effectiveness of the Policy and allows 3CE to provide future notifications to its small, local, and diverse businesses concerning other bidding opportunities. To access the 3CE Local Vendor Registration Form, use the following link: [Local Vendor Registry](#)
- 12.4 When 3CE evaluates the responses to a solicitation for goods or services, where best value is the determining basis for the contract award, a five (5) points preference will be applied to the scoring evaluation for qualified small, local, and diverse businesses.
- 12.5 When 3CE evaluates the responses to a solicitation for goods or services, where lowest price, is the determining basis for the contract award, a five percent (5%) preference will be subtracted from the bid price of qualified small, local, and diverse businesses. If application of the five percent (5%) preference results in a qualified small, local, and diverse business' bid being lower than all other bids, the contract shall be awarded to the qualified small, local, and diverse business at that vendor's bid price.
- 12.6 Whenever a responsive qualified small, local, and diverse businesses and a responsive non-small, non-local business have both submitted matching lowest responsive bids, the qualified small, local, and diverse business shall be awarded the contract.

- 12.7 When a contract requires subcontractors or sub-consultants, the selected contractor shall solicit proposals from qualified small, local, and diverse businesses whenever possible. No contract awarded to a small and local business shall be assigned or subcontracted in any manner that permits more than fifty percent (50%) or more of the dollar value of the contract to be performed by an entity that is not a small and local business.

13.0 INSURANCE REQUIREMENTS

This verification of coverage shall be sent to 3CE.

13.1.2 This verification of coverage shall be sent to 3CE, unless otherwise directed. This approval of insurance shall neither relieve nor decrease the liability of CONTRACTOR.

- 13.2 Qualifying Insurers: All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by 3CE.

13.3.1 Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this AGREEMENT a policy or policies of insurance with the following minimum limits of liability:

- (i) **Commercial General Liability Insurance**, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, and cross-liability with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence, and \$2,000,000 in the aggregate. *(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in red. All proposed modifications are subject to 3CE approval.)*

(ii) Automobile Insurance Threshold:

Business Automobile Liability Insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this AGREEMENT, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence.

If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this AGREEMENT, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this AGREEMENT.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in red. All proposed modifications are subject to 3CE approval.)

- 13.4.2 Commercial general liability and automobile liability policies shall provide an endorsement naming 3CE, its Directors, Board members, officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by 3CE and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.
- 13.4.3 CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in an AGREEMENT, which shall continue in full force and effect.
- 13.4.4 CONTRACTOR shall always during the term of an AGREEMENT maintain in force the insurance coverage required under an AGREEMENT and shall send, without demand by 3CE, annual certificates to 3CE. If the certificate is not received by the expiration date, CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of an AGREEMENT, which entitles 3CE, at its sole discretion, to terminate an AGREEMENT immediately.
