¹The eligible renewable percentage above does not reflect RPS compliance, which is determined using a different methodology.

²Unspecified power is electricity that has been purchased through open market transactions and is not traceable to a specific generation source.

³Renewable energy credits (RECs) are tracking instruments issued for renewable generation. Unbundled RECs represent renewable generation that was not delivered to serve retail sales. Unbundled RECs are not reflected in the power mix or GHG emissions intensities above.

You are receiving this notice because you were a Central Coast Community Energy customer in 2022. Receipt of this notice does not mean that your electricity generation services are currently with 3CE. The generation data highlighted in the 3CE 2022 Power Content Label is provided in the Annual Report to the California Energy Commission: Power Source Disclosure Program. Percentages may not add to 100% due to rounding.
